## **Annuals**

We would like to advise our customers that, in addition, to the plants listed in this catalog, we also grow and sell a wide variety of the best annuals. A separate list of these plants is available for anyone who is interested.

## **Aquatic Plants**

The demand for water plants has increased every year so that we have added Water Lilies and other water plants to our collection. We have been very successful in supplying our local customers with these plants, in tubs or pots, in full bloom throughout the summer.

## **Bulbs**

In the autumn we handle some of the best varieties of Hardy Bulbs such as Tulips, Narcissus, Lilies, and miscellaneous small Bulbs including Crocus, Grape Hyacinths, Snow Drops, specie Tulips, and others. A separate list of these bulbs is also available at the Nursery.

## **Cut Flowers**

Through the summer and fall we always have lots of material to make up bouquets and can supply quantities of cut flowers for various decorations.

## **Gladiolus**

We have a long list of the best varieties of Gladiolus of which we sell the bulbs in the spring and the cut flowers throughout the summer and fall.

## **Fertilizer and Peat Moss**

We sell fertilizers such as Bone Meal, Vigoro, and some of the other standard garden fertilizers by 100 lb. bags or smaller quantities at market prices. We also supply Peat Moss at regular market prices.

## **Landscape Service**

We not only grow and sell all kinds of Hardy Plants but are also well equipped to make ornamental plantings. We shall be glad to help you with plans and estimates for a perennial border, rose garden, rock garden, a garden pool, or any other type of garden in which you are interested.

## *Conditions of Sale*

**I**T is to our own interests to see that only good and correctly labeled plants leave the Nursery, but we give no guaranty, express or implied, as to description, growth and success of any stock we sell, for it depends on correct planting, proper soil, weather conditions, and the general care of the plants.

We accept all orders upon the condition that they shall be void should injury befall the stock from frost, fire, hailstorm, or other causes over which we have no control.

Any errors made by us will be gladly rectified if notice is given within ten days after receiving the stock. If any plants are found to be misnamed, we will replace them the next planting season.

We sell five plants of the same variety at the rate of ten; 25 plants at the rate of 100. Specimen plants at special prices.

All parcel post, express or freight charges are paid by the purchaser.

A certificate of State inspection for freedom from injurious insects or diseases on our plants will go with every order.
